

How to add my

# Nonprofit Information

# Nonprofit Profile

## Information Section

Choose a nickname for your custom web address to make it easier for donors to find your profile

1. Write your nonprofit name

2. Add website link

3. Description: Write your mission (this description will serve as keywords to help donors easily find you)

4. Add logo 300 x 300 pixels

5. Banner, upload a horizontal image with the size of 1920 x 1080 pixels

6. Choose your category

7. Keywords: add simple words that donors would use in general to find nonprofits like yours

Please Edit your Nonprofit Information
